

Susan Ferrera,

Sue grew up in Framingham, MA. having a variety of pets she loved along the way. She now lives in Winchester with her husband and two children, their cat Jasper and two birds. In her spare time, Sue enjoys being with her family, volunteering at the Winchester Wildlife and Rehabilitation Center, and trips to the ocean.

Sue joined our hospital in March of 2017, and has quickly endeared herself to our family.

Sue's gentle nature and compassion for animals allows her to help them feel safe and cared for. She is currently enrolled in the Veterinary Technician program at Penn Foster and we expect she will do very well.
